WINDSHIELD PROTECTION

WINDSHIELD PROTECTION

Nation Safe Drivers is one of the largest providers of supplemental products to the automotive and insurance industries. Our 60+ year history has given us the knowledge and expertise to provide high quality products and services.

Our repair professionals can repair many types of chips and breaks (like those shown here), including cracks up to six inches long (approximately the size of a dollar bill). If the bill covers the damages it is likely that the windshield can be saved without replacement. In the event the windshield can not be repaired, it may be replaced.

Front windshield repair of minor chips and cracks caused by propelled rocks or road hazard debris while driving on public roads, streets and highways won't increase your vehicle insurance premiums if used.

At your convenience repairs can be done at the dealership, your home or office.

You will enjoy the secure feeling of knowing that you are protected by Nation Safe Drivers Windshield Protection plan.

Fast response and excellent service are just two reasons why motorists rely on Nation Safe Drivers for on the road protection

BULLSEYE

Usually circular windshield cracks and fractures that look similar to a target of concentric cracks.

STARCRACKS

Extend from a central point of damage with long cracks.

CRACKS

Curved or straight lines that extend across the windshield. They can also exist in one side of the windshield.

COMBINATION

A mix of bullseye and star break
